

1) Create Question Bank

1. Create Question Pool

Click on the course site such as "JavaFresher".

Click on left menu "Tests & Quizzes".

The screenshot shows the Sakai JavaFresher interface. The browser address bar displays the URL: 10.88.16.135:8080/portal/site/a021016f-beaf-4a18-80ec-0e26826ab377/page/c50242f7-3eef-49a9-ac58-81ae9168917. The top navigation bar includes "My Workspace", "Administration Workspace", "Citations Admin", and "JavaFresher" (highlighted with a red box). The left sidebar contains "Home", "Announcements", "Resources", "Assignments", "Tests & Quizzes" (highlighted with a red box), "Site Info", and "Help". The main content area is titled "JavaFresher: Tests & Quizzes" and features tabs for "Assessments", "Assessment Types", "Question Pools" (highlighted with a red box), and "Event Log". Below the tabs, there is a "Create an Assessment" section with options to "Create from Scratch" (using an assessment builder or markup text) and "Import from File (XML or zip)". A "Go to Question Pool Page" button is also present. At the bottom, there are sections for "Working Copies" and "Published Copies", and a table with columns for "Action", "Title", and "Last Modified". Red dashed arrows trace the path from the "Tests & Quizzes" menu item to the "Question Pools" tab.

Click on link "Add New Pool"

The screenshot shows a web browser window with the Sakai JavaFresher interface. The browser's address bar displays the URL: 10.88.16.135:8080/portal/site/a021016f-beaf-4a18-80ec-0e26826ab377/page/c50242f7-3eef-49a9-ac58-81ae9168917. The page title is "Sakai : JavaFresher : Tests & Quizzes". The top navigation bar includes links for "My Workspace", "Administration Workspace", "Citations Admin", and "JavaFresher". A "Logout" button is visible in the top right corner. The left sidebar contains links for "Home", "Announcements", "Resources", "Assignments", "Tests & Quizzes" (which is highlighted), "Site Info", and "Help". The main content area is titled "JavaFresher: Tests & Quizzes" and contains tabs for "Assessments", "Assessment Types", "Question Pools", and "Event Log". The "Question Pools" tab is active, showing a section titled "Question Pools" with a red box highlighting the "Add New Pool" link. Below this link are links for "Import" and "Transfer Ownership". A table with the following headers is visible: "Pool Name", "Owner", "Last Modified", "Questions", "Subpools", and "Delete?". A small "Add Pool" tooltip is visible over the "Add New Pool" link. At the bottom of the page, there is a footer section with the text: "Gateway | Mobile View | The Sakai Project", "Copyright 2003-2016 The Apereo Foundation. All rights reserved. Portions of Sakai are copyrighted by other parties as described in the Acknowledgments screen.", "Sakai - TRUNK - Sakai 10.6 (Kernel 10.6) - Server localhost.localdomain", and "Server Time: Thu, 21 Jan 2016 14:02:13 ICT".

Input information for Pool

The screenshot shows a web browser window with the Sakai interface. The top navigation bar includes the Sakai logo, a 'My Workspace' dropdown, an 'Administration Workspace' dropdown, a 'Citations Admin' dropdown, and a 'JavaFresher' dropdown. Below these are 'mercury site' and 'More Sites' dropdowns. A 'Logout' button is on the right. The left sidebar contains links for Home, Announcements, Resources, Assignments, Tests & Quizzes (highlighted), Site Info, and Help. The main content area is titled 'JavaFresher: Tests & Quizzes' and contains an 'Add Pool' form. The form has the following fields: 'Pool Name*' (containing 'HowToMakeRequirement'), 'Owner' (containing 'Sakai Administrator'), 'Department/Group' (empty), 'Description' (containing 'Using Template', 'Make Q&A', and 'Review by checklist'), 'Objectives' (empty), and 'Keywords' (empty). At the bottom of the form are 'Save' and 'Cancel' buttons. The 'Save' button is highlighted with a red rectangle. The footer of the page contains links for 'Gateway', 'Mobile View', and 'The Sakai Project', along with copyright information and the server time: 'Thu, 21 Jan 2016 14:10:23 ICT'.

Then click on button "Save"

Click on link of Pool Name

The screenshot shows the Sakai JavaFresher interface. The top navigation bar includes the Sakai logo, workspace dropdowns (My Workspace, Administration Workspace, Citations Admin, JavaFresher), and a Logout button. The left sidebar contains links for Home, Announcements, Resources, Assignments, Tests & Quizzes (highlighted), Site Info, and Help. The main content area is titled 'JavaFresher: Tests & Quizzes' and contains tabs for Assessments, Assessment Types, Question Pools, and Event Log. Under the 'Question Pools' tab, there are links for 'Add New Pool', 'Import', and 'Transfer Ownership'. Below these links is a table with the following columns: Pool Name, Owner, Last Modified, Questions, Subpools, and Delete?. The table contains one entry with the Pool Name 'HowToMakeRequirement' (highlighted with a red box), Owner 'Sakai Administrator', Last Modified '01/21/2016', Questions '0', and Subpools '0'. Below the table are links for 'Add Subpool', 'Copy', 'Move', and 'Share', and an 'Update' button. The footer contains links for Gateway, Mobile View, and The Sakai Project, along with copyright information and the server time: Thu, 21 Jan 2016 14:31:05 ICT.

Pool Name	Owner	Last Modified	Questions	Subpools	Delete?
HowToMakeRequirement	Sakai Administrator	01/21/2016	0	0	

2. Create Question

The screenshot shows the Sakai JavaFresher interface. The top navigation bar includes the Sakai logo, workspace dropdowns (My Workspace, Administration Workspace, Citations Admin, JavaFresher), and a Logout button. The left sidebar contains links for Home, Announcements, Resources, Assignments, Tests & Quizzes (highlighted), Site Info, and Help. The main content area is titled 'JavaFresher: Tests & Quizzes' and contains tabs for Assessments, Assessment Types, Question Pools, and Event Log. The 'Question Pools' tab is active, displaying a form for a question pool named 'HowToMakeRequirement'. The form fields include: Pool Name (HowToMakeRequirement), Owner (Sakai Administrator), Department/Group (empty), Description (Using Template, Make Q&A, Review by checklist), Objectives (empty), and Keywords (empty). An 'Update' button is located below the form. Below the form, it shows '0 Subpools' and '0 Questions'. At the bottom right, there are buttons for 'Add Subpool' and 'Add Question' (highlighted with a red box). A status bar at the bottom displays the URL: 10.88.16.135:8080/portal/tool/4381a585-75d5-4c28-94a9-e7e08bc833fb/jsf/questionpool/poolList#.
